

**Hospital Outpatient & Outpatient Crossover Claims
Guidelines for including NDC information
5/19/09**

Please refer to the following guidelines when billing NDC's on all Outpatient claims.
We have included links for the DMAP website as well as the CMS HCPC website.

- A. A procedure code and corresponding NDC are required for all pharmacy revenue codes.
- B. Please refer to HCPCS book or <http://www.cms.hhs.gov/HCPCSReleaseCodeSets/ANHCPCS/list.asp> to verify if a medication has a specific procedure code.
- C. The NDC must be payable for DMMA to cover the claim.
- D. Covered NDC's can be verified on the DMAP website: <https://www.dmap.state.de.us/secure/ndcLookup.do>

Below are examples of Covered/Non-covered NDC's:

Covered NDC:

NDC #	00409650949
Product Name	
Date of Service	05/01/2009

NDC	Product Name	NDC Covered	Prior Approval Required	PDL	Package Size	Unit Price	Status
00409650949	VANCOMYCIN HCL IV PWD	Yes	No	N/A	1.00000	28.50	A

Non Covered NDC:

NDC #	
Product Name	sodium chloride
Date of Service	05/05/2009

NDC	Product Name	NDC Covered	Prior Approval Required	PDL	Package Size	Unit Price	Status
00002202402	SODIUM CHLORIDE TAB 1GM	No	No	N/A	100.00000	N/A	A
00008033302	SODIUM CHLORIDE INJ 0.9%	No	No	N/A	2.50000	N/A	A
00008033305	SODIUM CHLORIDE INJ 0.9%	No	No	N/A	2.50000	N/A	A

Special Note: The NDC will not be covered if the drug is terminated or does not have a Federal drug rebate agreement with CMS.

Special Note: J3490 and C9399 can be used if an appropriate procedure code can not be found. If a procedure code does exist and J3490 and C9399 is used the claim will be denied and the appropriate procedure code will need to be billed on the claim and the claim resubmitted.

If you have any questions or need assistance in getting into the DMAP website link for the NDC look up please call the Provider Relations line at 1-800-999-3371 or 1-302-454-7154
