

# Delaware Medicaid Drug Rebate Web Invoicing

[www.edsdocumenttransfer.com](http://www.edsdocumenttransfer.com)

***Delaware currently has over 225 labelers enrolled for this valuable free service and has received much positive feedback***

***Don't be the last one to sign up!!!***

## **Why should I enroll?**

- ✦ Immediate receipt of invoice information via a secure website up to 10 days before receipt through the mail
- ✦ Conveniently download claim level detail data files at the same time as invoice
- ✦ Expedite dispute resolution by easily exporting claim level detail files into Excel, Access or Text file formats. Reviewing invoices and claim level detail can now be much easier on administrative staff and consultants as the data files can be archived, sorted and filtered in an electronic format

## **How do I enroll?**

- ✦ Submit a separate application and Memorandum of Understanding for each labeler you want to enroll
- ✦ These documents have been attached for your convenience but are also available under the Drug Rebate Documents section at <http://www.dmap.state.de.us/information/pharmacy.html>
- ✦ Fill them out in their entirety and mail to the address listed below
- ✦ Please note we need all information mailed in due to the requirement of original signatures; unfortunately we cannot accept faxed or emailed applications
